

## 2000

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 10.5        | 3.8        |
| February  | 11.7        | 3.7        |
| March     | 12.6        | 6.7        |
| April     | 18.8        | 4.9        |
| May       | 24.1        | 11.6       |
| June      | 29.5        | 10.2       |
| July      | 28.3        | 12.9       |
| August    | 27.0        | 14.2       |
| September | 21.9        | 14.4       |
| October   | 17.8        | 7.9        |
| November  | 13.6        | 6.3        |
| December  | 13.3        | 0.3        |

## 2001

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 8.6         | 0.4        |
| February  | 10.6        | 1.1        |
| March     | 13.6        | 2.1        |
| April     | 13.8        | 5.6        |
| May       | 24.5        | 12.2       |
| June      | 22.7        | 12.3       |
| July      | 25.3        | 12.6       |
| August    | 23.1        | 14.3       |
| September | 20.2        | 12.3       |
| October   | 18.2        | 10.9       |
| November  | 13.4        | 3.4        |
| December  | 11.2        | 0.7        |

## 2002

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 12.4        | 2.8        |
| February  | 12.1        | 2.6        |
| March     | 15.3        | 5.4        |
| April     | 20.1        | 8.7        |
| May       | 23.4        | 12.4       |
| June      | 20.4        | 13.5       |
| July      | 23.2        | 11.7       |
| August    | 25.7        | 15.6       |
| September | 23.1        | 14.4       |
| October   | 22.4        | 6.1        |
| November  | 14.6        | 5.9        |
| December  | 11.9        | 1.7        |

## 2003

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 10.8        | -0.2       |
| February  | 13.4        | 1.2        |
| March     | 17.2        | 6.5        |
| April     | 25.7        | 9.2        |
| May       | 25.6        | 10         |
| June      | 25.6        | 16.4       |
| July      | 27.5        | 16.1       |
| August    | 31.6        | 15.9       |
| September | 24.2        | 12.1       |
| October   | 16.6        | 6.1        |
| November  | 16.2        | 6.1        |
| December  | 11.5        | 0.0        |

## 2004

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 10.9        | 1.2        |
| February  | 14.1        | 2.1        |
| March     | 13.7        | 4.0        |
| April     | 18.1        | 8.8        |
| May       | 21.2        | 11.4       |
| June      | 23.0        | 12.4       |
| July      | 23.9        | 14.0       |
| August    | 26.4        | 15.1       |
| September | 24.2        | 12.7       |
| October   | 15.2        | 9.9        |
| November  | 12.4        | 3.1        |
| December  | 12.2        | 1.1        |

## 2005

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 12.6        | 3.0        |
| February  | 11.3        | 2.5        |
| March     | 16.4        | 4.6        |
| April     | 17.4        | 5.5        |
| May       | 17.6        | 11.3       |
| June      | 25.2        | 11.4       |
| July      | 29.0        | 13.0       |
| August    | 24.6        | 14.8       |
| September | 26.7        | 12.5       |
| October   | 20.2        | 10.6       |
| November  | 16.5        | 2.4        |
| December  | 11.0        | 0.4        |

2006

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 11.8        | -0.7       |
| February  | 9.6         | 2.7        |
| March     | 14.2        | 2.8        |
| April     | 16.4        | 7.3        |
| May       | 23.2        | 8.9        |
| June      | 26.2        | 14.0       |
| July      | 31.3        | 6.8        |
| August    | 23.0        | 16.0       |
| September | 23.6        | 15.3       |
| October   | 18.6        | 11.0       |
| November  | 14.0        | 7.3        |
| December  | 13.5        | -0.6       |

2007

|           | Highest Max | Lowest Max |
|-----------|-------------|------------|
| January   | 13.4        | 2.8        |
| February  | 11.5        | 1.5        |
| March     | 15.9        | 4.7        |
| April     | 22.3        | 8.6        |
| May       | 18.0        | 12.0       |
| June      | 24.8        | 10.5       |
| July      | 21.4        | 13.8       |
| August    | 22.9        | 13.3       |
| September | 20.6        | 10.6       |
| October   | 18.8        | 9.9        |
| November  | 14.4        | 6.2        |
| December  | 14.0        | -0.8       |

2008
